

## World Values Day Workshop:

# Empower Your Employees with Purpose and Connection

Celebrate World Values Day, **October 17th 2024**, with a transformative workshop designed to help your employees identify and live by their personal values—both at work and in life. This session will inspire deeper connections within your team, foster a shared understanding of your company's core values, and help embed these values into everyday workplace behaviors.

**Duration:**  
60 Minutes

**Investment:**  
AED 8,000

## What's in it for your team?

**Identify & Align Personal Values:**  
Explore the values that drive individuals and their work.

**Build Stronger Connections:**  
Share values with colleagues and enhance team cohesion.

**Link Personal & Company Values:**  
Discover meaningful ways to align personal values with the organization's mission.

**Embed Values in Action:**  
Identify actionable steps to embed company values in daily work behaviors.

This workshop is the perfect opportunity to celebrate World Values Day by emphasizing the importance of values within your organisation and proving employees with the opportunity to connect together, align behind your values and identify what helps and hinders your values in action.
