African Choice Ltd

Authentic African Food Specialist

African Choice LTD is an authentic African food specialist. We supply retailers, restaurants and businesses with West African food products from around the world. We have approximately 1000 individual food products from the Africa, Asia, the Mediterranean, the Caribbean, and more. African Choice has built a distribution network from the ground up that enables us to support all sizes of customers the length and breadth of the UK and Europe.

We also export many ranges of African Choice products to other countries. Our aim as authentic African food specialist is to deliver the best quality foods to stores and kitchens across the world.
