Medical Technology Germany

July 09-10, 2025, Ulm Trade Fair Center

medizin
& technik

Medical Technology Germany is the new event from the organizers of the successful Medical Technology Ireland and Medical Technology UK exhibitions.

With over 70 years of combined experience and expertise, the directors - Colin Martin, Guido Küpper and Jason Moss - have a long, successful history of organizing and running events in the medical device design, development and manufacturing sector.

Maximum visibility at Medical Technology Germany!

Secure your place in the **official Medical Technology Germany trade fair guide** now and present your innovations to a broad specialist audience. Our **A4 format** offers you ample space to effectively showcase your technologies and services.

- The official trade fair guide will be distributed as a comprehensive **digital magazine before the trade fair** via the high-reach **channels of the medizin&technik brand** (portal and newsletter) and the **Medical Technology Germany trade fair website**. In addition, all trade fair visitors and exhibitors will receive the **printed trade fair guide** with a print run of 2,000 copies directly on site.
- Use this unique opportunity to strengthen your brand and make new contacts. Reach **decision-makers and experts in medical technology** with your advert or advertorial.

Your contact opportunities:

- ✓ 3,500 newsletter recipients
- ✓ 2,000 printed copies on site
- ✓ Plus wide-reaching distribution via the medizin&technik website and the trade fair website

Multiple benefits

Your advantages

The official trade fair guide by medizin&technik offers you the ideal platform to present your innovations to a broad and interested specialist audience and to use the opportunities to efficiently increase your reach before and during the trade fair.

Direct target group approach:

Your printed trade fair guide is distributed directly to visitors and exhibitors - the perfect way to reach decision-makers and experts in a targeted manner.

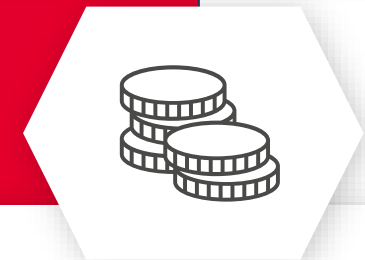

Comprehensive reach:

Use the trade fair guide, which is distributed via the medizin&technik channels and the trade fair website, to publicise your innovations far beyond the trade fair.

Focus on visibility

Place your brand prominently in the official trade fair guide and reach a broad specialist audience at Medical Technology Germany.

Attractive prices, maximum impact!

Benefit from attractive prices and place your message in the growing medical technology market.
