ImmunoDol[®] mini

1,3/1,6 Beta Glucan

Tablets for small dogs and cats

Immune support

60 mini tablets

Dietary Supplement for Cats and Small Dog Breeds

Properties

ImmunoDol[®] mini contains Beta- 1,3/1,6-glucan, which is a polysaccharide isolated from the cell wall of *Saccharomyces cerevisiae*. Beta-1,3/1,6-glucan increases the activity of macrophages and plays an important role to support the immune system.

ImmunoDol[®] mini is used during convalescence, reproduction, stress, and also used to support the immune system.

Directions for use

1 tablet per day
