### **P.G.M.'s Address**

Brethren, I am delighted to once again address you at Provincial Grand Lodge this afternoon and I hope that you have

all enjoyed both the lunch and the meeting this afternoon. Certainly, the weather is slightly better than when we were here last year!

It is so gratifying to see so many of you here, supporting the Province today and I am so pleased that we were able to extend the dining to accommodate the demand. This is the first year for at least 10 years that we have had over 200 dining.

It is now 3 years since my appointment as your Provincial Grand Master and it is difficult to understand where that time has gone.

Freemasonry, both nationally and within this Province continues to face challenging times but equally I do believe they are also exciting times, and I thank you all for your hard work, support and commitment to both this Province and to your own lodges.

I have already introduced to you, individually, our distinguished guests, many of whom have travelled considerable distances to be with us today.

I am very grateful to all of them for the support they have given to our Province and once again I thank them all most sincerely. Your attendance and support are very much appreciated.

I would like to offer my congratulations once again to all those who I have had the pleasure of investing this afternoon, either as a first appointment or as a promotion. It is a well-deserved reward for what you have achieved in your Masonic career within the Province of Cornwall, but it is also, importantly, an expectation of the further achievements that we expect from you in the forthcoming years.

To those brethren that I have appointed to an active rank this afternoon I say this, it is a wonderful year and will pass all too quickly. Please do make the most of your time as an active Provincial Officer, you will have a very special year and make some wonderful friendships but all too quickly you will find the year has passed and you are back here, handing your collars on.

I also extend my particular congratulations to the four brethren who have today received my Certificate of Service to Freemasonry. Your achievements over many years are such that the honour received today is just reward for everything you have done.

Brethren, some members of the Executive and the semi-permanent officers have stood down today having served the Province tirelessly for many years and I have already, this afternoon, thanked VW Bro. David Leaty.

I would also like to mention W Bro. Martin Harvey who has served as the Provincial Grand Almoner since 2016. So much of what Martin does for the Province is behind the scenes and I believe it would come as a surprise to many to realise the amount of work that he undertakes on our behalf. Martin retires today after 9 years in the office. Thank you, Martin.

I must also once again express my thanks and appreciation to my DPGM and my APMG's whom I have been delighted to reappoint today. Their support, advice and guidance are invaluable to me and their hard work and commitment to our Province is an example to us all.

Brethren, I offer my congratulations to the following brethren who are due to receive an appointment to or a promotion in Grand Lodge later this month.

In Grand Lodge the first appointments are.

W Bro Jon Arnold, our MEGS to active JGD

W Bro Andrew Douce, my APMG to PJGD

and W Bro Derrick Welch to PAGDC

In addition, we were honored to receive an additional appointment through the 7-year strategy which was awarded to W Bro Philip Venning as PAGStB

The promotions are.

W Bro John Sleep, my APMG to PSGD

W Bro Ian Wass of St Levan Lodge 5134 (our organist this afternoon) to PAGDC

And VW Bro David Pascoe our past MEGS to PJGW and who becomes a RW Bro.

In Supreme Grand Chapter first appointments are.

E Comp Trevor Dawes of Tewington Chapter 5698 to PGStB

E Comp Michael Rees of Mount Edgcombe Chapter 496 to PGStB

The promotions are.

E Comp Michael Barnard our DGSupt to PGSwdB

E Comp Barry Kessell of Duke of Cornwall Chapter 1529 to PAGSoj

At the last count there are some 50 brethren travelling to Grand Lodge to support me and these brethren receiving honours and I'm confident that we will once again all enjoy a very special few days in London. Brethren, our very best wishes and congratulations to you all.

Brethren, at the end of November last year, we celebrated the end of our 2024 Festival in aid of the MCF with a wonderful celebration at Truro Cathedral.

Due to the vagaries of Worldwide pandemics and a few other issues, our Festival was in practice reduced to a little over 3 years.

It was therefore truly astounding that in that period you were able to give the amazing sum of £1,070,000 and once again I thank all the brethren of the Province for your generosity and support.

I believe that we should now, however, concentrate our charitable giving on our local charities and good causes, supporting our local communities and the good work that is done therein.

We should also consider spending some money on our own buildings and lodges which are always in need of maintenance and repair.

The retiring collection today will be split equally between the Teddies for Loving Care and the Masonic Fishing Charity Cornwall branch. I would ask you all to please complete and fill in the envelope on your chairs and hand them to the Stewards on the doors when retiring.

I am delighted that within our Province, we are now working closer than ever with the Royal Arch, to build on that great and indissoluble link between the Craft and the Royal Arch. Remember, together we are stronger.

Brethren, Portal has now been rolled out within the Province, and I would again urge each and every one of you to log in and register.

Portal is a wonderful tool, allowing members to manage their own masonic information and giving you a huge amount of information about your lodges and their membership. It will be further expanded in due course to provide even more valuable information and links.

Registration will literally take you 5 minutes, so those of you who brought your phones into PGL, still have plenty of time to register before I finish speaking!

Your Lodges will also have received information from the Province within the last 2 weeks regarding PSA testing within the Province. Whilst you might happily ignore most of the emails that you receive from us, do not ignore this one as it could just save your life!

My Provincial Almoner W Bro Tim Cockings has once again arranged with The Chestnut Appeal to offer PSA testing to all our brethren at 3 sites in September. These will again be at Hayle, St Austell and Liskeard and booking will be available in the next couple of weeks.

Brethren, remember - Prostate cancer will affect 1 in 8 men – that's over 40 of us here in this room today and remember 1 man dies from Prostate cancer every 45 minutes!

Please make sure that you all register and spread the word amongst your fellow brethren. It could be the best decision you ever make.

Brethren, this coming Monday, we are honoured to be receiving a visit from our Grand Master, HRH The Duke of Kent, who will visit Mount Edgcombe Lodge 1544 in Camborne as part of their 150<sup>th</sup> anniversary celebrations.

Obviously, numbers are limited, and security is tight but if you happen to find yourself in Camborne on Monday, please come along and wave from the pavement. It is a huge honour for both the lodge and our Province to be able to host our MW Grand Master.

Brethren, over the last 12 months we have unfortunately, lost some ground with our Membership Challenge following a very successful 2023, however we do now have my APGM W Bro Andrew Douce overseeing a new membership team including a new PMO appointed today and I am sure that we can again make progress this year in increasing our initiates and reducing our losses.

By fully adopting the Members Pathway many of our Lodges are now seeing the obvious benefits through increased initiations and reduced resignations and I would urge all those Lodges who are yet to become involved, to do so as soon as possible. My Membership team, together with the Provincial Mentor, the Prov Learning and Development officer and the Prov Almoner are always available to assist but this has to be driven from the Lodges themselves.

Membership presentations were made both in the east and the west of the Province earlier this month and were very well attended and well received. The team are now planning on holding further workshops within the Province so please make sure that your lodge is represented at one of these very informative events.

We all have a major role to play in securing the future growth and stability of our Order, our mission being to make sure that we are a thriving organization, one that people are willing to be part of and one in which those who join are willing to participate.

You will have heard me on many occasions, enjoy you to enjoy your enjoy your Freemasonry and I still believe that this is one of the most important messages that we can pass on to our members and prospective candidates.

It is important that we retain our core values, our rituals and our traditions but in doing so we must have fun and be ready and willing to tell everybody of the fun and enjoyment we all experience.

Brethren, we have exciting times to look forward to, but we also have much hard work to do.

Any Other Business:

The Provincial Grand Master presented a number of Solomon certificates

W. Bro. Shyam Gudka Worshipful Master of the Cornish Lodge No. 2369 presented the Provincial Grand Master with a cheque for £1000 to go towards the Cornwall Masonic Charitable Foundation.

Brethren, my thanks today must go to W Bro Eugene Clemence and the staff of Redruth School for the use of these premises. To W Bro Jim Byrne and his team for their hard work in setting up and taking down PGL and to the members of our light blue club The Trelawny light blues and The Robert Eliot Lodge for all their help this weekend. Also, thanks to W. Bro. Ian Wass for playing the organ and to W. Bro. David Williams for his refurbishment work on the provincial equipment.

To the Redruth Lodges, Druids Lodge of Love and Liberality 589, St Euny Lodge 6025 and Trevithick Lodge 9339 for inviting us to meet under their banners today.

I would also like to thank my Prov G. Sec and my Prov. GDC and their teams for all their hard work in preparing for and running today's meeting and once again to the Penventon Park Hotel for looking after us at lunch.

Brethren I thank you once again for your support and wish you all a very safe journey home.

Provincial Grand Lodge was then closed in due form and the retiring collection was in aid of the Cornwall Masonic Charitable Foundation.

Five Winds, Trelowth Road, Polgooth, St. Austell, PL26 7BG  
Email: almoner@pglcornwall.org.uk Mob: 07939 649688

The role of the Provincial Grand Almoner (PGA) is, broadly, fivefold:

1. Support our Lodge Almoners - provide support, guidance and advice to all Lodge Almoners within the Province of Cornwall to enable them to perform their important pastoral duties efficiently, and with care, compassion and discretion.
2. Provide advice and support to our Brethren - the PGA is happy to answer enquiries personally from members looking for more information on applying for grants and other support from the Masonic Charitable Foundation (MCF).
3. Manage a team of eight Visiting Volunteers (VVs) – our team of local VVs operate throughout the Province, and are the conduit through which all applications for financial, medical & family support on behalf of our Brethren and their dependents are directed to the MCF for processing.
4. Report to the Provincial Executive - the PGA reports to the Provincial Executive on the distribution of grant monies awarded by the MCF to beneficiaries within our Province, which last year was in excess of £400,000.
5. Be an Officer of the Cornwall Masonic Charitable Foundation (CMCF) - the office of PGA automatically makes the holder an Officer of the CMCF, with seats on both the CMCF's Management Committee and its Sub-Committee.

## PROVINCIAL GRAND MENTOR

**W.Bro. Philip R. Venning, PAGStdB, ProvDepGDC ProvGMen**  
2 Dukes Cottages, Gulworthy, Tavistock, Devon, PL19 8JA  
Mob: 07787 568770 email: mentor@pglcornwall.org.uk

**Purpose:** The purpose of the Mentoring Programme is to ensure that every Mason enjoys his membership, understands Freemasonry, is supported in becoming involved in the work of the Lodge, and encouraged to enjoy its activities.

**Objectives:**

- To ensure the continuity and promote the growth of Freemasonry in general and specifically in the Province of Cornwall
  - To create a sense of belonging, understanding and involvement – for all Brethren
  - To ensure the Craft is an enjoyable and fulfilling place to be and that Brethren are well able to communicate this to others with confidence and enthusiasm
  - To address the need for Retention and to support Recruitment, Retrieval and Recovery in line with the Membership Pathway
- Like all successful organisations, the Province and Freemasonry itself must strive for continuous and forward thinking improvement in our people and processes. Mentoring is no exception. To this end, the Province continues to develop the Mentoring Policy, which will allow clarity of purpose for all Brethren in the Province. Training sessions are being delivered, allowing all Brethren the opportunity to develop their own mentoring skills and Masonic knowledge; these are open to all especially those interested in developing their mentoring skills and the Membership Pathway as a whole.

The Mentoring processes will be delivered and facilitated by the Provincial Grand Mentor aided by other members of the Membership Pathway team, thus allowing full support to all individual Lodge Mentors and their Lodges.

The objective is to take what is best of the existing Provincial Mentoring scheme and expertise and, where appropriate, extend its delivery to Brethren using an assigned Mentor, with the co-ordination and support of the Lodge Mentor. This, combined with a more consistent approach to delivery and a higher visibility of the mentoring process itself, is anticipated to re-enforce that which is already in the DNA of all Brethren – simply being a good Brother and Freemason.

*Let us all remember the short passage in the 'Address to the Brethren'  
"I therefore trust that we should have but one aim in view .....To please each other  
and unite in the grand design of being happy and communicating happiness"*

## Communication Within The Province Of Cornwall

The Provincial Communication Team has been chosen from members throughout the Province of Cornwall who all share a common goal and have a passion and drive to help the transfer of Communication throughout the Province.

The team's main objective is to collect information which may be considered of interest to members of the public, which will assist in promoting a better understanding of the charitable work carried out by the Freemasons of Cornwall. This information is then formatted and submitted to our regional media outlets, the Provincial website or direct to Grand Lodge for publication in Freemasonry Today.

The team is structured with the Provincial Grand Communications Officer overseeing all communications within the Province of Cornwall. Four Communication Representatives are responsible for up to 20 lodges each within the Deputy and Assistant Provincial Grand Master's list of responsibility, along with three Assistants who are there to help the PCO, Comms Reps and The Provincial Grand Lodge of Cornwall in general.

We are always available to offer advice and assistance to make sure your charitable efforts are featured within the local press. If you require help or would like to submit articles, please contact your Communication Representative either by email or phone below.

## PROVINCIAL GRAND MEMBERSHIP OFFICER

The role of the Provincial Grand Membership Officer is part of the recommendations from UGLE's Membership Focus Group. The aim is to address the Membership Challenge by encouraging Lodges to adopt the Membership Pathway. This will include helping Lodges to develop and implement a membership strategy, with a view to attract suitable candidates, improve retention rates and encourage engagement with current members.

The Provincial Grand Membership Officer will help identify, advise and share 'best practice' via the implementation of the UGLE Members Pathway. This will include promoting a more positive 'what if' philosophy to lodge planning, attracting new members, engaging with existing members and retrieval of members who no longer attend. The Provincial Membership Officer will work closely with the Provincial Grand Mentor and Provincial Grand Communications Officer as well as the Executive to ensure a coherent and cohesive message is adopted by all the Lodges, making Freemasonry more visible whilst forging stronger connections in the community. The primary objective is to stimulate new membership as well as ensuring the current members enjoy their Freemasonry to reduce the controllable losses which is expected to have a positive impact for the future growth of Freemasonry within the Province of Cornwall. The Provincial Grand Membership Officer will also act as the primary contact for 'non-sponsored' potential members. This is intended to provide an opportunity for men who currently have no Masonic connections to find out more about Freemasonry in general.

### MEMBERSHIP KEY POINTS

The Membership Officer will liaise with Lodges in promoting Freemasonry in Cornwall:

- To help identify the characteristics of all Lodges and ensure each potential candidate would be the type of person that would fit. To communicate the need to introduce suitable candidates and keep recruitment high on Lodge agendas.
- To review, in conjunction with a Lodge committee, the recruitment activities of the Lodge: Examples include, introducing non-Masons to social events, open evenings, white table events, family events and activities within the local communities such as volunteering, and supporting local charities.
- To review the process of interviewing a potential candidate and ensure Lodges adapt a suitable Q & A process. To make known to Members the process of introducing potential candidates and visitors to the Lodge.
- To assist the Proposer and Seconder in the initial preparation of the prospective candidates. To liaise with the Candidate between the Initial contact with the Lodge and his Initiation.
- To encourage greater connections within the local communities.

## TRELAWNY LIGHT BLUES

Province of Cornwall

Established in 2012, the Trelawny Light Blue Club provides a great opportunity to meet new people, share thoughts on Masonry, ask questions and become familiar with members and lodges in the Province.

As well as organising events and group visits, members also provide support groups to attend and assist with various Provincial events which are arranged throughout the year. This help supports the Province, continues to provide a good opportunity for members to get together in different settings, and also means wives and partners can make friends and socialise with like-minded individuals.

All brethren wearing light blue aprons are automatically members of the Trelawny Light Blue Club without any cost. To join the pathway to a bright and active life in Freemasonry, become involved with the Trelawny Light Blue Club

Notwithstanding that he shall be permitted to attend one, but only one, Lodge on not more than two further occasions with a view to becoming a subscribing member of that Lodge; provided that (a) the Master of that Lodge shall have confirmed to the Secretary in writing that such is the purpose of his subsequent visit, and (b) his final visit to such Lodge shall take place not later than one year after the first visit. A Brother who has ceased to be a member of a Lodge by exclusion under Rules 148 or 181 shall not be permitted to attend or visit any Lodge unless or until he is, or becomes, a subscribing member of a Lodge. Hermes is designed especially for use by Lodge Secretaries/Chapter Scribes Ezra (Sec/SE), and is a new web-based application that will allow them to manage many of their administrative processes electronically and reduce the number of physical forms to be completed. Once the user, has logged in to Hermes, they will be able to see all of the data pertaining to their Lodge/Chapter. If you are a Sec/SE of another unit, you will be given a separate login for each of them. The data managed in Hermes will be held in the database and also shown in ADELPHI, which is used by Metropolitan, Provinces, Districts and UGLE/SGC.

- **‘Home’** - This is the first screen you see when logging in to Hermes.
- **‘Member Management’** - This is where you access ‘Current Members’, ‘Past Members’, ‘Joining Members’ and ‘Degree by Request’
- **‘Lodge Management’** - This is where you access ‘Lodge Information’, ‘Lodge Officers’, ‘Dispensations’, ‘Annual Return’ and ‘Maintain Historical Installation Returns’.
- **‘Meeting Management’** - This is where you set up your ‘Agenda’ for an upcoming meeting or complete your ‘Post-Meeting Report’ after a meeting.

**CANDIDATES.**

**It is essential that in the case of every candidate for initiation, joining or rejoining, the particulars required by Rule 164, Book of Constitutions, must appear in the Summons for the meeting at which the ballot is to take place. They should be given in the order shown in the Rule, as follows:-**

- a) Full name. b) Age.
  - c) Profession or occupation. (It is not sufficient merely to state Civil Servant, Local Government Officer, Administrative Officer, Clerk etc. the address where employed or the employer’s name and address should be supplied)
  - d) Place or places of abode.
  - e) Business address. (This should be supplied in all cases, including professional persons) f) The names of proposer and seconder.
  - g) The date of proposal in Open Lodge.
- [and in the case of a candidate for joining or rejoining the same particulars together with the name and number of the Lodge or Lodges of which he is and has been a member]

The age need not be given in the case of candidates for joining or re-joining

Proposal forms must be read by the secretary in Open Lodge before the ballot takes place.

A printed copy of the By-Laws of the Lodge must be given to every Brother when he becomes a Member. (B.C. 138). By resolution of Grand Lodge, Masters of Lodges are enjoined to see that every newly initiated Brother is put in possession of an up to date copy of the Book of Constitutions and booklets “Information for the Guidance of Members of the Craft,” and “Information on Masonic Charities.”

The words “Provisions of Rule 158 B.C. fully complied with,” should follow the name and particulars of a candidate from another locality, in the Summons.

EMERGENCY LODGES. No Lodge of Emergency may be summoned without a dispensation being first obtained - Rule 140 B.C. Minutes must not be read or confirmed and there are no “Risings.”

No candidate can be proposed or balloted for at a Lodge of Emergency, except as provided in Rule 160 B.C. A joining member cannot under any circumstances be proposed or balloted for except at a regular meeting.

**NOTIFICATION OF THE DEATH OF A BROTHER - When a secretary becomes aware of the death of a brother, he should contact his Lodge Almoner and AS SOON AS POSSIBLE contact the Provincial Office, with details of his next of kin, by email or telephone. The Province will always try where time permits to get representation at the occasion of the funeral. We also send certain notifications to the relatives.**

RECEPTION OF PROVINCIAL GRAND MASTER, his DEPUTY or ASSISTANTS. After the Lodge is opened, the Tyler will request admission of the Provincial Director of Ceremonies or his Deputy or Assistant, if in attendance, who will enter the Lodge and announce the presence of the Provincial Grand Master, his Deputy or Assistant. The Lodge D.C. will then form an escort of Past Provincial Officers within the Lodge.

SALUTES. When the Provincial Grand Master, the Deputy Provincial Grand Master or an Assistant Provincial Grand Master visits the Lodge, the Master must offer him the gavel. The salutes should be as follows and in accordance with the Degree in which the Lodge is open:-

|                                                                    |   |
|--------------------------------------------------------------------|---|
| The R.W. Provincial Grand Master (incl. past) .....                | 7 |
| The V.W. Deputy Provincial/District Grand Master (incl. past)..... | 5 |
| The Assistant Provincial/District Grand Master (incl. past).....   | 5 |
| V.W. Brethren.....                                                 | 5 |
| Other Grand Officers.....                                          | 3 |

The other Provincial Grand Officers - Present and Past - are entitled to 3 salutes. (The salutes to which Grand Officers are entitled, as such, in Lodges generally are prescribed in Rule 6, B.C.).

PAST MASTERS and OFFICERS’ COLLARS. When the Master vacates the Chair temporarily for a Past Master to perform a ceremony the latter must not be invested with the Master’s Collar but must be clothed according to his rank. Past Masters acting as Wardens and Inner Guard during the installation of a new Master should not wear the collars of those officers but be clothed according to their individual ranks. It is a tradition in this Province that no officer should wear the collar of his office until he has been invested with it and, therefore, at no time should any PM or Brother, filling an office as a substitute, wear the collar of the office he is filling, The Provincial Grand Master hopes that this tradition will be maintained.

All Past Masters, not holding higher rank, shall wear a Past Master's Collar with jewel appended, in Grand Lodge, Prov. Grand Lodge, their own or other Lodges. (B.C. 264).

**INSTALLATION OF A PAST MASTER.** The ceremony is taken up to the Obligation in the Board of Installed Masters, when he should be invested and installed. When a Master continues for a second year, it is only necessary to announce that he has been re-elected. Instead of installation, he should be proclaimed once by the D.C. and proceed to invest the officers.

**PROCEDURE FOR ALTERATION OF LODGE BY-LAWS.** The following procedure should be adopted when the By-Laws of Private Lodges are altered. Notice of the alteration should be given in open lodge. The circular convening the next meeting, whether regular or emergency, should contain full particulars of such alteration - a statement of the nature of the alteration is insufficient. An amendment to the alterations as originally intended may be moved and adopted at this meeting. When the alteration has been passed it should be confirmed at a subsequent Meeting if the Lodge By-Laws so provide. The circular convening the confirmatory Meeting should again contain full particulars of the alterations, as passed at the previous Meeting and it should be confirmed without further amendment or rejection.

When amendments **conform substantially to the Grand Lodge Model By-Laws**, they should then be submitted to the Provincial Grand Secretary for approval by the Provincial Grand Master. In certain cases such as Change of Venue, Meeting, Election or Installation Date, and the due date of the Annual Subscription, they will also be submitted to the Grand Secretary for approval by the Grand Master (via the Provincial Grand Secretary) See Rule 136 B.C.

The existing wording and the amendment should be sent in to the Provincial Grand Secretary on the form as specified by Grand Lodge.

Where the alterations are concerned **solely** with changes in Lodge subscriptions, the approval of the M.W. Grand Master and the R.W. Provincial Grand Master are not required. Notice of the change of subscriptions having been adopted by the Lodge should be sent to the Provincial Grand Secretary for record purposes.

**ENVELOPES AND POSTCARDS.** The Masonic rank or title of the person addressed should never appear on the outside of any envelope, postcard or wrapper. Communications of a private nature should be sent in a sealed envelope.

**RETURNS.**

Following the launch of Hermes the Annual Return screen is where you can review your Annual Return for both UGLE/SGC and Province. Prior to the due date you will see the dues you will be charged for but not the costs associated with them and membership records throughout the year and particularly check any R148/Reg71 cessations shortly after the end of the subscription year

The MCF provides support for Lifelites, a charity that donates and maintains specialist technology packages for the 10,000 life-limited and disabled children Lifelites using every children's hospice service across the British Isles.

These packages help children who are often restricted by their conditions to play, be creative, communicate and control something for themselves, for as long as it is possible. Originally founded as a Masonic charitable project, Lifelites is now a well-established charity in its own right raising all its own funds. The MCF helps Lifelites by donating office premises and administrative services, meaning Lifelites can use the funds it raises on delivering life-enhancing technology.

For more information about the work of Lifelites, visit: [www.lifelites.org](http://www.lifelites.org)

## THE HENRY MITCHELL MEMORIAL MUSEUM & THE COOMBE MASONIC LIBRARY

Freemasons' Hall, Foundry Square, Hayle, Cornwall.

Have you visited the Masonic museum and library at Hayle in Cornwall? If not you have missed a wonderful "Masonic treat". Both are full of many items of great interest, not just to those interested in Masonic research, but also to all Freemasons. You can easily spend an hour exploring the museum and library, in particular, if you have the curator with you, and still wish that you had more time to spare. The library is filled with books, magazines and papers of enormous interest, including original letters from the great Thomas Dunckerley written in the 1700's!! If you would like to visit the museum or library, or if you have any interesting items to sell, donate or loan then please contact the curator.

Quatuor Coronati is the world's premier masonic research lodge. Established in 1884 and consecrated in 1886, the lodge's founders wished to advance an evidence-based approach to the study of Masonic history and research into the origins of freemasonry. Their approach was intended to replace the more imaginative writings of earlier authors and was referred to as the 'authentic school' of Masonic research.

Quatuor Coronati adopts the same principles today. We hold meetings incorporating lectures five times a year, usually at Freemasons' Hall at Great Queen Street in London; publish our lectures, other research papers, and 'notes & queries' in *Arts Quatuor Coronatorum* – 'AQC', the annual Transactions of the Lodge, distributed nationally and internationally; arrange conferences and symposia on different aspects of freemasonry; and share our research and encourage scholarship via QCCC - the QC Correspondence Circle – established more than 130 years ago.

*Membership of QCCC is open to all.*

*Full details of how to join and the benefits of membership are at [www.quatuorcoronati.com](http://www.quatuorcoronati.com)*

## MASONIC HOUSING ASSOCIATION

Office Suite 1, Haslemere House, Lower Street, Haslemere, Surrey, GU27 2PE Tel: 01428 652788 www.masonichousing.co.uk

Chairman: Oliver Lodge TD, BSc

Contact: James Holland-Leader Email: masonicha@knoxcropper.com

The Association provides rented accommodation of a high standard for those over 55 years of age who can generally lead an independent existence but would benefit by the help of a Scheme Manager in an emergency.

As every Lodge will have elderly brethren and widows who find house maintenance becoming more difficult and costly, every Lodge Almoner, Secretary and Master should become familiar with this alternative housing option, so that timely advice may be given.

MHA has 190 self-contained flats spread throughout England in five schemes:-

Hamilton Court, South Woodham Ferrers, Essex 01245 323743 schememanager@hamilton-court.co.uk Palmer Court,

Wellingborough, Northamptonshire 01933 273140 chris@palmercourt.org.uk

Prebendal Close, Aylesbury, Buckinghamshire 01296 433511 manager@prebendalclose.org.uk Reading Court, Stratford-upon-

Avon, Warwickshire 01789 297301 rachel@readingcourt.com Wilson Keys Court, Rugeley, Staffordshire 01889 576544 info@

wilsonkeyscourt.co.uk

MHA is controlled by a Board of Management under the chairmanship of Oliver Lodge. The management of each scheme is delegated to voluntary House Committees whose members are nominated by the Provincial Grand Master of the Province in which a scheme is situated. The Chairman of each House Committee sits on the MHA Board. Each scheme is managed locally with resident involvement.

### ACCOMMODATION

All the MHA sheltered housing schemes provide self-contained one or two person flats with a living room, kitchen and bathroom. Accommodation is under one roof, with one protected main entrance door for security, but each resident has a front door to his or her own flat within the scheme.

The MHA Board treats personal safety and security as being of paramount importance to elderly people, so every scheme has a Scheme Manager and emergency call system.

All schemes have a residents' lounge and adjoining kitchen, used extensively by the tenants and the local house committees for social functions. There are well-equipped communal laundries and a guest room where relatives can stay overnight for a very nominal charge.

Further details of each scheme can be found on our website: www.masonichousing.co.uk

The general classifications of the Cornwall Masonic Charitable Foundation (CMCF) are to help general charitable purposes, education/training, the advancement of health or saving of lives, disability and the prevention or relief of poverty by supporting children/young people, elderly/old people, people with disabilities, other charities or voluntary bodies and the general public/mankind.

The CMCF also supports the 'Teddies for Loving Care' scheme, providing teddies for young children in Cornish Hospitals, the Children's Hospice and 'Lifelites' formerly part of the Royal Masonic Trust for Girls and Boys. Lifelites enables children and young people with life-limiting, life threatening and disabling conditions, to learn, communicate, and be creative through the provision of assistive and inclusive technologies. The CMCF supports Lifelites ongoing work at Little Harbour Children's Hospice.

At the annual meeting of Trustees in January, a number of grants are made to non-Masonic charities working within Cornwall. Any brother who wishes to nominate a charity for consideration by the Trustees should forward details to the Provincial Grand Charity Steward by the 30th November preceding the annual meeting.

Any urgent request or requests where our objects preclude us from offering assistance or it is felt that local lodges may be able to better support, are distributed either to individual lodges or to all Lodges within the Province.

All groups who are awarded Grants are invited to the Annual Charity Giving Day to receive their award. The list of all Grants is shown within the annual accounts and is available upon request from the Provincial Office, from a Lodge Charity Steward.

**Donations** from individual Brethren and Lodges in support of these activities should be made payable to the "Cornwall Masonic Charitable Foundation".

Any enquiries regarding the CMCF should be made to the Provincial Grand Charity Steward, W. Bro. Alan Powell, using the email address [charity@pglcornwall.org.uk](mailto:charity@pglcornwall.org.uk)

## **Building better lives**

The Masonic Charitable Foundation (MCF, the Freemasons' charity) builds better lives by encouraging opportunity, promoting independence and improving wellbeing for people across society.

Funded entirely through the generosity of Freemasons, their families and friends, the MCF is one of the largest charities in the country and helps to improve thousands of lives every year in England, Wales, and overseas. The MCF provides a range of grants and support services for individuals in need, and for charitable projects that help local communities.

## **The origins of the MCF**

A number of charities have existed within Freemasonry since the 18<sup>th</sup> century, each providing a specific type of support to Freemasons and their families. The MCF brings together the work of The Freemasons' Grand Charity, the Royal Masonic Trust for Girls and Boys, the Royal Masonic Benevolent Institution, and the Masonic Samaritan Fund.

## **Support for individuals and households**

### **What support is available?**

Most of the support provided by the MCF takes the form of grants to assist with daily living costs during a time of need, but grants can also be provided for specific items or services.

A wide range of help and support is available for daily living costs; health, care and wellbeing; and education-related costs for children and young people. The MCF also provides a free and confidential service for individuals and their families, offering practical guidance on a range of issues, including state and local authority benefits and information about further sources of help.

### **Who is eligible?**

Those seeking support must demonstrate the following:

#### **A connection to a Freemason**

Help is available to Freemasons under the United Grand Lodge of England, as well as people with a strong connection to a Freemason. This includes Freemasons' married, life, widowed, divorced, or separated partners; their children, stepchildren, and grandchildren under the age of 25 and in full-time education; or someone that can demonstrate significant and long-term physical or financial support from a Freemason.

A Freemason does not necessarily have to be currently subscribing, but they must have been a member before the need arose.

#### **A life-changing event or unexpected distress**

Those seeking support must also demonstrate a life-changing or unexpected distress; a life event, such as a decrease in household income, medical diagnosis, changing care needs, family breakdown, or the death of a family member.

## **Can the MCF help you?**

The MCF treats all enquiries and applications sympathetically and in the strictest confidence.

Speak to your lodge Almoner about applying for a grant or contact the MCF directly to begin your application.

**0800 035 60 90**

Enquiries can also be sent to:

**help@mcf.org.uk**

Write to:

**Masonic Charitable Foundation  
60 Great Queen Street  
London WC2B 5AZ**

If you would like to apply for support, a representative of the charity will visit you and help you to complete the application. The application process usually involves an assessment of your household finances so the MCF can understand your circumstances in more detail.

If support is approved, a payment will be made directly to you or to the supplier providing the equipment or service you require.

If your application is not approved, our team will try to direct you to other organisations that may be able to help.

## **Grants to charities**

Through the MCF, Freemasons tackle some of society's most important issues by awarding grants to local and national charities, and by forming partnerships with leading organisations in the sector.

The MCF supports charities that help thousands of disadvantaged and vulnerable people to live happy, fulfilling lives and participate actively in society. Funding is targeted where it is most needed, within areas Freemasons care about passionately. The current target areas are:

- Early Years (0-5), with a focus on poverty and neglect
- Children affected by Domestic Abuse
- Children with Special Educational Needs and Disabilities
- Improving the health and wellbeing of older people with dementia and their carers

The target areas are reviewed each year to ensure grants are making the greatest possible impact.

Since it was established in 2016, the MCF has awarded around £50 million to charities.

For more information about our grants to charities and to find out how to apply, please visit: [mcf.org.uk/grants-to-charities](http://mcf.org.uk/grants-to-charities)

## Our partners

**RMBI Care Co.** is a wholly owned subsidiary of the MCF which provides residential care, nursing care and residential dementia support to older Freemasons, their families and people in the wider community. RMBI Care Co. have been caring for older people since 1842 and support over 1,000 residents across England and Wales.

They treat each person as an individual, and believe that everyone should be able to enjoy later life and help residents stay as independent as possible but also provide support when it is needed.

They have a passionate and skilled team who deliver the highest quality of care to residents and live by their values which are kind, supportive, and trusted.

For more information, including the location of your nearest Home, visit: [www.rmbi.org.uk](http://www.rmbi.org.uk)

Registered Charity No: 1163245 | Company No: 1293566

**Lifelites** is a charity that provides and maintains specialist technology packages for the 10,000 terminally-ill and disabled children using every children's hospice service across the British Isles.

These packages help children who are often restricted by their conditions to play, be creative, communicate and control something for themselves, for as long as it is possible.

Originally founded by Freemasons as a charitable project, Lifelites is now a well-established charity in its own right raising all its own funds.

For more information about the work of Lifelites, visit: [lifelites.org](http://lifelites.org)

Lifelites registered charity in England and Wales No. 1115655

**Teddies for Loving Care (TLC)** provides comforting teddies to help children cope with difficult situations.

Established by Essex Freemasons in 2001, TLC is now a national programme, locally-led by Freemasons across England and Wales. Support and enthusiasm for the initiative continues to grow, with more than 4 million teddies distributed nationwide to over 350 hospitals.

Most of the money raised to purchase and distribute the teddies comes from Freemasons themselves through lodge donations and fundraising events. The MCF provides central administrative support for local TLC charities.

### **3. Fundraise**

#### **Sponsorship**

Sponsored events are a very popular, fun, and effective way of raising money for the MCF. Most events involve setting a personal challenge and then asking friends and family members to make charitable donations to encourage fundraisers to achieve their goal. Events can take many forms and can include both physical challenges, such as fun runs or endurance bike rides, and daring challenges, such as skydives or abseils. The Relief Chest Scheme provides printed and digital sponsorship materials to make it easy for fundraisers to hit their targets.

Top tip: take the hassle out of collecting sponsorship by setting up an online fundraising page on the MCF website. Remember to share a link to your fundraising page using email or social media and keep your friends up to date through regular posts, images or videos.

Visit: [www.freemasonry.gives](http://www.freemasonry.gives)

The MCF is registered with the fundraising regulator and is signed up to the fundraising code of practice.

If a sponsored challenge is not for you, other events can also raise money to support the MCF, including:

- Organise a quiz night or a raffle
- Host a dinner party, BBQ or themed event
- Arrange a social event such as an evening of music or entertainment

### **4. Spread the word!**

Keep up to date with all the latest MCF news by registering for updates and following us on social media. Share the MCF's updates with your friends and family to help more people find out about the help we provide.

Visit: [mcf.org.uk/media](http://mcf.org.uk/media)

#### **The Relief Chest Scheme**

The Relief Chest Scheme helps lodges, chapters, Provinces, and groups from other recognised orders to manage their charitable giving efficiently by enabling donors to save time, take control, and give more.

Funds placed in Relief Chests are held securely by the MCF until they are given to a charity by the donors. The Relief Chest Scheme and its full range of services are provided completely free – no administration fee is charged and no commission is taken.

For further information, or to open a Relief Chest for your lodge, chapter or appeal, please visit: [mcf.org.uk/reliefchest](http://mcf.org.uk/reliefchest)

#### **Other charities**

In addition to the MCF, there are numerous other charities organised and run by Freemasons. There are far too many to list, but they include Provincial benevolent funds, Provincial education and relief funds, trusts set up and administered within individual Provinces, funds associated with residential housing or supporting particular RMBI Care Co. homes, and sundry other organisations, big and small, all concerned with caring for others.
