

Wedding Favour Fragrance Guide

Choose a fragrance that feels like your day. From romantic florals and calming spa notes to fresh citrus, coastal air and warm woods, there is no right or wrong wedding scent - simply the one that feels most like you.

Wedding Day

ROMANTIC - FRUITY FLORAL

Bright bergamot and lemon, softened with raspberry and tangy rhubarb. A graceful heart of jasmine, rose, lily, violet and ylang-ylang settles into orris, vanilla, amber, musk and sandalwood.

Pear & Freesia

ELEGANT - FRUITY FLORAL

Juicy ripe pear and fresh green notes lead into blooming freesia and gentle rose petals. Warm patchouli, glowing amber and sheer musk give this polished fragrance a soft, lingering depth.

Peony Suede

LUXURIOUS - FLORAL

Crisp red apple and a touch of sparkling citrus open into peony, jasmine, rose and gillyflower. Smooth suede, patchouli, amber, vanilla and musk create an elegant, softly warming finish.

White Tea & Lavender

CALMING - SPA & HERBAL

Gentle lavender and clean white tea are lifted by eucalyptus and rosemary. Geranium and clary sage bring natural harmony before a serene base of cedarwood, patchouli, vanilla and musk.

Earl Grey & Cucumber

REFINED - FRESH & AROMATIC

Bergamot, lemon and fragrant Earl Grey tea create a crisp opening. Cool watery florals, jasmine and angelica flow into smooth musk, warm amber, cedar and gentle woods.

Lime, Basil & Mandarin

UPLIFTING - CITRUS & HERBAL

Juicy mandarin, lemon and zesty lime bring bright citrus energy. Basil, thyme, lemongrass and spearmint form a modern aromatic heart, grounded by labdanum and vetiver.

Fresh, warm or wonderfully unexpected

Every option is vegan, cruelty-free and hand-poured into your personalised botanical wax melt favours.

Sage & Sea Salt

COASTAL - FRESH & WOODY

Mandarin, lemon and subtle winter berries evoke clean coastal air. Soft florals and elderflower drift into sandalwood, warm amber, creamy vanilla and musk for an understated, comforting finish.

Bergamot & Vetiver

EARTHY - WOODY & UNISEX

Bergamot, sage and pepper open with a mellow, sun-warmed freshness. Iris, cotton, leather and patchouli add texture, while myrrh, vetiver, cedar and amber create a dry, smoky warmth.

Always With You

SENSUAL - WARM & MASCULINE-LEANING

Bergamot, grapefruit, lavender, amyris and spicy elemi lead into florals, crisp apple, pineapple, melon and clove. Vanilla, amber, patchouli, smooth woods and musk give it a deep, confident finish.

Sandalwood Essence

TIMELESS - CREAMY & WOODY

Fresh violet leaf and dry cedar are warmed by spice and earthy patchouli. Layered woods and soft florals settle into creamy sandalwood, smooth vanilla and clean musk.

Amber Ginger

SERENE - WARM & WOODY FLORAL

A delicate whisper of ginger blends with jasmine and lily. Smooth sandalwood and rich amberwoods bring warmth, while cedar and gentle musk create a calm, sophisticated finish.
