250 g

Dietary supplement for dogs and cats

Properties

Dolvit® Isotonic is a formula for cats and dogs in the form of powder to dissolve in water. The formula contains easily-absorbable energy in the form of glucose and vitamin C.

Dolvit® Isotonic aims to aid digestion and maintain the proper amount of water in your pet's body in case they are not getting enough hydration. It is recommended during hot days, travel, recovery and physical activities. Ideal for dogs during pregnancy, whelping and nursing.

Instructions for use

2,5 measures (25 g) of the formula shall be dissolved in 1 liter of water.

Animals shall have permanent access to prepared drink.
