

Net weight **90 g**

2500.3.5 5 902232 642162

Store in a dry and cool place.
Batch number and expiration date
are shown on the package.

Composition of a tablet

New Zealand mussel.....	200 mg
Shark cartilage.....	200 mg
MSM.....	150 mg
Hyaluronic acid.....	10 mg
Brewer's yeast, chondroitin sulfate, glu- cosamine sulfate, minerals	

Additives in 1 tablet

Nutritional additives	
Vitamin C	25 mg
Manganese	1.15 mg
(dimanganese chloride trihydroxide; 3b507)	
Copper.....	1 mg
(dicopper chloride trihydroxide; 3b409)	
Additional information	
Magnesium	1 mg

Analytical constituents

Crude fibre 25%, Crude protein <0.2%
Crude ash 17%, Crude fats 2.9%

ArthroHA®

Joint Support

**Hyaluronic Acid
Green-lipped Mussel
Shark Cartilage
MSM**

90 tablets

Dietary Supplement for dogs

Properties

ArthroHA® maintains healthy joint function and mobility. **Hyaluronic acid** (HA) carries nutrients to cartilage to support growth and health, and aids the quality of the synovial fluid. **Glucosamine** and **chondroitin** are essential parts of the structure of the cartilage and important to maintain healthy joints and mobility. **Green-lipped Mussel** (*Perna canaliculus*) contains: GAG (glycosaminoglycans) – a component of cartilage and synovial fluid, and fatty acids omega 3 (EPA, DHA, ETA).

MSM (methyl sulfonyl methane) contributes to the synthesis of collagen and is required for the maintenance of joint tissues.

Shark cartilage is a natural aid for proper joint function.

Directions for use

dogs under 20 kg body weight - 1 tablet / day
dogs over 20 kg body weight - 2 tablets / day
