

# HIGH PERFORMANCE WINDOW FILMS

~PROVIDING SECURITY & COMFORT~

## PRIVACY & DECORATIVE FILM

### Silver Etch

## Premium Silver Etch Privacy Film with a Sparkle Finish

High Performance Window Films' **Silver Etch** provides **two-way privacy** while maintaining high levels of natural light transmission. With a finely textured **matte finish and a subtle sparkle compared to traditional frost films**, this film is ideal for **glass partitions, meeting rooms, offices, and reception areas** where a modern, stylish look is desired.

This **cost-effective and flexible alternative** to traditional acid-etching, sandblasting, or printing allows privacy to be added **quickly and easily** without replacing the glass. It is also compatible with **custom cut-outs** to incorporate branding, manifestation markings, or decorative elements for a bespoke finish.

---
