

# Folly & Wild – Coeur Valentine Collection

## Fragrance Notes

### Coeur Rose

A modern interpretation of rose, soft, sweet and quietly complex. Delicate rosewater notes are balanced with subtle woody undertones and gentle sweetness, creating a contemporary floral fragrance that feels elegant and far removed from traditional powdery rose scents.

### Coeur Cerise Noire

A rich and indulgent cherry fragrance with a sophisticated twist. Juicy black cherry and liqueur notes are layered with almond and grounded by warm tonka bean, creating a full-bodied scent with depth and elegance.

### Coeur Fraise & Chocolat

A decadent gourmand fragrance inspired by chocolate-covered strawberries. Creamy milk chocolate opens the scent, followed by freshly picked strawberries and a soft vanilla base, creating a warm, romantic and indulgent fragrance.
