

Thank you for buying Maywick Products; clearly your business is important to you! Maywick are proud that we continue to manufacture and sell the best equipment & accessories money can buy *Anywhere-in-the-World*. Everything we sell is of the highest quality, reliability, durability, and overall value, combined with unrivalled product support. We remain years ahead of all our competitors in the design of efficient heating equipment that will last for years, in many cases decades. Yes, you may be able to buy cheaper products, but they will end up costing you more in the long term. **You get what you pay for in life!**

E40

The Maywick “E40”, the World’s most advanced, gas fired, Canopy Brooder benefits from over 60 years worldwide experience and know-how Maywick has gained in this industry. The extremely simple design has produced a highly efficient, reliable, cost effective heater, with minimum maintenance & quick easy access for cleaning.

No compromise has been made on materials or components and provided the heater is operated and maintained in accordance with this booklet, you should obtain supreme performance, long life durability and many years of service.

OPERATING PRESSURES AND GASES.

ONLY FOR USE AT ALTITUDES BELOW 2500 FEET (800 METRES).

HEATER MODEL N ^o . (SEE LABEL ON GAS FEED)	1179 1172	1174 1176	1180 1173	1175 1177
GAS TYPE	LPG		NATURAL GAS	
MAXIMUM (OPTIMUM) OPERATING PRESSURE (MEASURED AT HEATER TEST POINT)	15 INCHES W.G. 37 MILLIBARS		8 INCHES W.G. 20 MILLIBARS	
PILOT JET (ORIFICE) N ^o . PART N ^o .	8 6001	N/A	20 6232	N/A
MAIN JET (ORIFICE) N ^o . PART N ^o .	340 □ 6028 □		860 6041	
GAS INPUT (NOMINAL)	38,000 BTUH 11.0 kw		38,000 BTUH 11.0 kw	
CONSUMPTION PER HOUR	1.57 LITRES 0.8kg		0.38 THERMS	

□ The MX High/Low control valve uses a No. 360 Jet (Part No. 6030)

FOR OPTIMUM EFFICIENCY, RELIABILITY AND DURABILITY THE “OPERATING PRESSURE” STATED ABOVE SHOULD BE ACCURATELY SET AND PERIODICALLY CHECKED. OVER PRESSURE WILL SERIOUSLY REDUCE THE LIFE OF THE HEATER.

WARRANTY

Your Heater has been manufactured with the finest materials and components available, and is backed by a One-Year Warranty from date of purchase against defects in materials and workmanship, provided it has been maintained in accordance with this Manual. Damage by accident or abuse is NOT covered by this Warranty.

N.B. Maywick cannot be held responsible for consequential loss of livestock or property due to failure of the equipment and we recommend you install temperature monitoring equipment to trigger alarms should a heater fail suddenly.
