### Course Description

Got itchy feet? Fancy a career in the tourism industry? Let us help you get a step ahead!

This course aims to develop language, leadership and employability skills in the context of the travel and tourism industry. You will have the opportunity to further develop your language skills, learning Spanish and another language while also deepening your awareness of other cultures. The language skills you gain will be directly applicable to the world of work. You will also develop the employability, communication and customer service skills required in the Travel and Tourism industry, while finding out about the travel and tourism industry in Scotland and abroad.

### Expectations for Homework

Homework will be set on a weekly basis.
