

COMMUNICATING THROUGH RADIO BROADCASTING

ENGLISH - CONFIDENT INDIVIDUALS

FANCY BEING ON THE RADIO?

Radio Broadcasting offers pupils the opportunity to develop confidence, creativity, and communication through planning, recording, and presenting radio content. Pupils work collaboratively to produce shows, interviews, and features while completing a Level 5 Radio Broadcasting qualification. This wider achievement opportunity develops key skills from our Skills Framework, including communication, leadership, creativity, collaborating, and initiative, while gaining real-world media experience.
