

SCIENCE

HEALTH & SOCIAL CARE

HIGHER (SKILLS FOR WORK)

COURSE LENGTH	1 year
ENTRY REQUIREMENTS	National 5 English
INTENDED AUDIENCE	S5-S6
NUMBER OF UNITS	4
ASSIGNMENT/ADDED VALUE UNIT	NO
COURSE EXAM	NO

COURSE DESCRIPTION

This course introduces you to the nature of health and social care work. It includes investigating the types of health and social care establishments that are available and the roles of care workers in these settings. You will also be investigating the principles of good care practice and exploring what constitutes day-to-day care work, for example, identifying people's needs and strengths and how care workers try to meet those needs through care plans.

EXPECTATIONS FOR HOMEWORK

Regular work to consolidate understanding of key points.
