### Course Description

This course is designed to develop your knowledge, understanding and technical skills required in the Hospitality Industry. As part of this course, you will complete 30 hours of Work Experience with local partners from within the Community. You will gain an understanding of the importance of communication in delivering effective customer service and take a leading role in the implementation of enterprise activity. Finally, you will learn the technical skills involved in Barista.

### Expectations for Homework

Regular homework will be issued to assist in the completion of assessments.

### Skills Focus

### Additional Course Information

You will work with members of the public for this course.

You will be given a Work Experience placement with one of our local partners in the Community.

This course is an excellent progression if you are interested in the role of the Hospitality Industry.
