

CREATIVITY THROUGH ART AND DESIGN

EXP ARTS - SUCCESSFUL LEARNERS

COME AND EXPERIMENT WITH A RANGE OF MATERIALS WORKING ON NEW ART AND DESIGN BRIEFS!

This WAO helps you develop all your art and design skills to be a well rounded artist equipped to take on any brief! Building on the foundation you created in S1 this WAO will give you experience with design, working to briefs, upcycling, textiles and a range of artistic techniques. Throughout the year there is the chance to enter local and national competitions as well as display your work at the Art Exhibition.

LEARNING INTENTION, SUCCESS CRITERIA & CAREER OPPORTUNITIES

Learning Intentions

I will:

- Use my creativity to create a range of different pieces of work in different styles.
- Develop my communication skills when I am working with others on a project.
- Develop my ability to adapt when something isn't going to plan without starting again.

Success Criteria

I can:

- Use a range of different art and design materials appropriate for the brief I am working on.
- Communicate effectively with other people when we are working together.
- Show resilience and adapt my approach when working on a project that isn't going to plan.

Career Opportunities

- Artist
- Community arts worker
- Graphic Designer

The Four Capacities
