

COLLABORATING THROUGH ACTING AND PERFORMING

EXP ARTS - EFFECTIVE CONTRIBUTORS

ATTENTION ALL ACTORS AND PRODUCERS!

This WAO is perfect for you if you love to be on stage and devise pieces of theatre! You will work in groups to create a number of performances across different themes as well as learn about all the different production elements. You will have the chance to incorporate sound, lighting, props, make up and costume into your dramas. Throughout the year there are opportunities to attend different trips, be involved in bigger school productions and take part in national competitions.

LEARNING INTENTION, SUCCESS CRITERIA & CAREER OPPORTUNITIES

Learning Intentions

I will:

- Collaborate with others to devise performances.
- Develop my communication skills when I am working with others.
- Use my creativity to create interesting dramas and use production elements effectively.
- Develop my ability to focus in rehearsals.

Success Criteria

I can:

- Work with other people to write our own scripts and performances.
- Communicate my own and others ideas effectively.
- Use appropriate lighting, costume, make up etc. creatively in my performances.
- Demonstrate techniques to help me focus in rehearsals.

Career Opportunities

- Actor, Producer
- Director
- Community
- Theatre Worker

The Four Capacities
