

COLLABORATING THROUGH BASKETBALL OFFICIATING

HWB - EFFECTIVE CONTRIBUTORS

LEARN TO LEAD GAMES, MAKE CONFIDENT DECISIONS, AND WORK AS PART OF A TEAM WITH BASKETBALL

Through Basketball Officiating, you will complete nationally recognised Basketball Scotland qualifications, including Level 1 Table Official and Introduction to Refereeing. This course develops your understanding of the rules of basketball, game management, communication, and decision-making. You will gain practical experience officiating games, build confidence, and develop skills that support progression into refereeing, coaching, or wider leadership roles within basketball.

LEARNING INTENTION, SUCCESS CRITERIA & CAREER OPPORTUNITIES

Learning Intentions

I will:

- Develop strong communication skills to clearly explain decisions and instructions during games.
- Develop collaborating skills by working effectively with fellow officials to manage games.
- Show initiative by acting proactively and identifying what needs to be done in game situations.
- Develop critical thinking skills to analyse game situations and make fair, informed decisions.

Success Criteria

I can:

- Use effective communication to explain rules, calls, and decisions to players, coaches, and fellow officials.
- Demonstrate collaborating by working closely with other officials to ensure smooth and fair games.
- Apply initiative by solving problems, making quick decisions, and acting confidently without prompting.
- Use critical thinking to assess situations, interpret rules accurately, and make confident decisions during games.

Career Opportunities

- Refereeing Pathway officiating at higher-level competitions.
- Table Official Roles
- Coaching & Leadership
- Volunteering & Community Roles
- Employment in Sport

The Four Capacities
