

COLLABORATING THROUGH COMMUNITY ARTS

EXP ARTS - RESPONSIBLE CITIZENS

TAKE YOUR ART SKILLS INTO THE COMMUNITY AND SHARE YOUR TALENT WITH OTHERS!

This WAO gives you a platform to share your art and design skills with other people in the community. You will get to experience working to briefs, and using a range of artistic techniques in new settings. Throughout the year there is the chance to work with employers and local artists as well as visiting the FVRH and local care homes to create new art!

LEARNING INTENTION, SUCCESS CRITERIA & CAREER OPPORTUNITIES

Learning Intentions

I will:

- Use my creativity to create a range of different pieces of work in different styles.
- Collaborate effectively with other people when we are working together on a project.
- Develop my ability to adapt when something isn't going to plan without starting again.

Success Criteria

I can:

- Use a range of different art and design materials appropriate for the brief I am working on.
- Ensure that every artist in the group gets the chance to collaborate on our work.
- Show resilience and adapt my approach when working on a project that isn't going to plan.

Career Opportunities

- Artist
- Community arts worker
- Graphic designer

The Four Capacities
