

CREATIVITY THROUGH PHOTOGRAPHY

EXP ARTS - CONFIDENT INDIVIDUALS

LOVE TAKING PHOTOGRAPHS? COME AND LEARN HOW TO USE PROFESSIONAL STANDARD CAMERAS AND EDIT

This WAO helps you to understand basic photography and camera handling techniques. You will also create folios of work and exhibition work that will be shown throughout the year. You will develop critical thinking skills and the ability to look at and interpret professional photography. Throughout the session we have visits from professional photographers and enter local and national competitions.

Following this WAO you could go on to do NPA Level 5 in Photography.

LEARNING INTENTION, SUCCESS CRITERIA & CAREER OPPORTUNITIES

Learning Intentions

I will:

- Develop my ability to use my own initiative when setting up and using a camera.
- Develop my communication skills when I am working with others on a project.
- Use my creativity to create and edit interesting images.
- Use my critical thinking skills to interpret professional photography.

Success Criteria

I can:

- Set up and use cameras and equipment safely and use my initiative to solve problems.
- Communicate effectively with other people when we are working together.
- Capture and produce a range of images in different contexts.
- Interpret and express my views on photography.

Career Opportunities

- Artist
- Photographer
- Social media
- Marketing
- Influencer.

The Four Capacities
