

INITIATIVE THROUGH EARLY EDUCATION & CHILDCARE

HWB - CONFIDENT INDIVIDUALS

CREATING MEANINGFUL PLAY FOR GROWING MINDS.

The main aim of this course is to enable you to develop knowledge and understanding of the role of play in the growth and development of children from birth to 12 years. Throughout the course you will engage with practical and theory lessons to explore different types of play and the benefits of play for children's physical, social, emotional, cognitive and language development.

LEARNING INTENTION, SUCCESS CRITERIA & CAREER OPPORTUNITIES

Learning Intentions

I will:

- Understand the different types of play and the importance of play in supporting children's growth and development.
- Explain how play supports development, including physical, social, emotional, cognitive and language development.
- Recognise the role of adults in supporting, extending and observing children's play.

Success Criteria

I can:

- Describe what play is and explain why it is important for children.
- Explain how play helps children develop physically, socially, emotionally, cognitively and through language.
- Identify how adults support play, including providing resources, ensuring safety and encouraging learning.

Career Opportunities

- Early Years Practitioner
- Family Support Worker
- Primary School Teacher

The Four Capacities
