

LEADING THROUGH DANCE LEADERS

HWB - RESPONSIBLE CITIZENS

TURNING PASSION FOR DANCE INTO LEADERSHIP SKILLS.

The main aim of this course is to help you develop the skills and knowledge needed to become a confident and qualified Dance Leader.

Throughout the course, you will take part in both practical dance workshops and classroom-based sessions, and you will be mentored and supported as you develop your leadership skills.

You will also have the opportunity to plan and lead dance activities for primary-aged pupils, giving you valuable real-world experience and helping you build confidence in leading groups.

Please note – this course is not just about dancing. You will also learn the theory behind effective leadership, including choreography principles, health and safety, communication skills, and how to create inclusive and engaging dance sessions for all abilities.
