

LEADING THROUGH ROOKIE REFEREEING

HWB - CONFIDENT INDIVIDUALS

INTERESTED IN BEING A REFEREE?

The aim of this course is to develop your knowledge and ability to perform the duties of refereeing in football. Throughout the year, you will be asked to referee football matches in class amongst your peers, as well as take part in classroom lessons where you will learn the laws of the game, - taking part in a reduced mock exam at the end of the year.

There might be the opportunity to referee primary pupils through active school events, as well as organise and help referee at an Afterschool Football tournament.

Please note – This course is not just playing football. Pupils will be required to participate in theory lessons as well as practical sessions.

LEARNING INTENTION, SUCCESS CRITERIA & CAREER OPPORTUNITIES

Learning Intentions

I will:

- Improve my communication by giving clear explanations and signals when refereeing.
- Develop my critical thinking by applying the rules accurately to make fair decisions.
- Build my leadership by managing matches confidently and safely.
- Use initiative by preparing independently and completing all checks before a game.

Success Criteria

I can:

- Communicate clearly so players understand my instructions and decisions.
- Apply the laws correctly and make consistent, fair decisions.
- Lead the match safely, staying calm and in control.
- Prepare fully, complete all checks prior to the match starting.

Career Opportunities

- Football Refereeing
- Active Schools Coordinator
- Sports Coaching and Development courses
- PE Teaching

The Four Capacities
