

CURIOSITY THROUGH MANDARIN

LANGUAGES - RESPONSIBLE CITIZENS

THE WORLD IS A BIG PLACE! LET'S LEARN MORE ABOUT IT!

You will have a fantastic opportunity to learn the fastest growing language in the world. You will learn more about the geography and culture of China and the impact it has on the rest of the world all led by a native speaker from our partner town in Tianjin. You will also learn basic Mandarin needed to talk about yourself and your interests.

This course will broaden your horizons and allow you to learn more about another language and culture as well as your own. There will also be practical and artistic classes allowing you to showcase your learning to the school community.

LEARNING INTENTION, SUCCESS CRITERIA & CAREER OPPORTUNITIES

Learning Intentions

I will:

- focus on developing basic proficiency in Mandarin
- use my curiosity to explore a new language and culture with support from a native speaker
- develop oral and written communication skills in Mandarin.

Success Criteria

I can:

- communicate information about myself and my interests in Mandarin.
- demonstrate initiative and creativity in order to plan and lead an awareness campaign for the wider community on Mandarin and Chinese Culture.
- use critical thinking to identify and analyse my skillset

Career Opportunities

- Scholarship to China after S6
- Teaching
- Business abroad

The Four Capacities
