Great and wonderful God ...we seek you....we look for youwe long for you

At the beginning of a New Year we come and offer our lives our love ..our hopes
...to you ..

At this time we are reminded of the gift of Frankincense ..so we offer you our lives
in adoration, as we pray for this Parish and community ..for all leaders of worship
..for all who bow in quiet adoration ... by the light of your presence **Fill us with
your glory .**

O Father, Creator of all things we offer all we have received our talents ..our
possessions ..ourselves in your service as we give thanks for the gift of Gold ... so
we pray at this time for all who work ..in commerce ..in industrywe also
remember before you Father the world's poor ..the bankrupt ...the underprivileged
..those who are starvingmay all who have received of your goodness learn how
to share your creation with those who are in needby the light of your presence
Fill us with your glory

Father ,your Son was born into an earthly familybless our homes and our loved
ones ..that your presence will be revealed in our homes and in our relationships ..we
pray for all without a place they can call their home ..we think of children who suffer
through violence or through neglect ..by the light of your presence ...**Fill us with
your glory**

Father you share in our sorrows,you enter into our darknessyou come to
redeem...release and restore us ..so we give you thanks for the strange gift of
myrrh ..we pray for all in pain or distress ..all who are troubled or anxious
...especially do we hold in our prayers [those we name now],and we give thanks
for all who seek to relieve painfor the medical professions ...for carers ...for all
who work for the redeeming of our worldby the light of your presence ..**Fill us
with you glory**

As we rejoice in Christ the Light of the World ,and know that darkness is
conquered.....we pray for friends and loved ones who have passed through
darkness to eternal lightespecially remembering ...[those we name now] .O
Christ our morning star when the darkness of this world is past let us come into
yourpresence in love and adoration**Merciful Father**
