

What is Fairway Fife?

Fairway Fife is a peer mentoring charity based in the west of Fife.

What is a Peer Mentor?

A Peer Mentor is aged 16 or over and will spend time with a young adult with learning disabilities, supporting them to become more socially involved with other young people. It won't cost you a penny it's all FREE!

What do Peer Mentors do?

The everyday things that most of us take for granted—going to the cinema, playing sport, eating out, shopping or just chilling out with a pizza and a DVD—chatting about everyday life. These are a few of the things some of our young adults do not always get the chance to experience with people their own age. Could you make the difference that would enhance their lives so much?

What will I gain from being a Peer Mentor?

- Full support and training
- A sense of satisfaction
- Increased self-esteem
- The opportunity to gain awards and certificates such as: Youth Achievement Awards & Saltire Awards
- Enhance your CV
- Meet new people
- Have Fun!
