

Dear Parent/Carer,

As you will no doubt be aware, the First Minister announced on Tuesday 2<sup>nd</sup> February 2021 a plan for some pupils in the Senior Phase (S4-6) to potentially be able to re-enter school buildings to complete practical work necessary for certificated courses from 22<sup>nd</sup> February 2021. We will digest this statement, take note of further guidance, plan accordingly and keep parents/carers and pupils updated.

In the meantime I would express my gratitude to our young people for their fortitude in maintaining their studies at this time, and look forward to communicating with you further on this matter.

Yours faithfully,

Iain Livingstone
