

Dear Parent/Carer,

I hope everyone in the Braes community is doing as well as possible just now. Please see below an update on a number of matters:

Braes Newsletter

Please below the link to the latest Braes High School newsletter. This showcases the strong work being done across the school in order to ensure the school experience for our young people is as 'normal' as possible just now.

Extra-Curricular Activities

We are keen that your young people continue to 'be part of it' at Braes. A strong and positive school ethos is dependent on young people buying in to the opportunities available for pupils in our school. I would encourage pupils to visit the link below and try out the multiple extra-curricular activities on offer for pupils. Despite the restrictions in which we must operate, a sizeable number of such opportunities are available. In particular, I would encourage our younger pupils to get involved in these clubs and activities.

Christmas Cards

On behalf of all at Braes High School we wish you a very Happy Christmas, and all the best for the New Year when it comes. Please click on the link below to see the Christmas Card designs produced by our Braes pupils Amy Turner, Ash Murkowski, Hana Thomson, Holly Bennett and Morgan Smith.

Merry Christmas from all Braes High School!

Yours faithfully,

Iain Livingstone
