

Dear Parent/Carer

### **Braes Outdoor Classroom Day Friday 20<sup>th</sup> May 2022**

I am writing to inform you that we will be hosting a Braes Outdoor Classroom Day on Friday 20<sup>th</sup> May 2022 for all S1 pupils. This will be an opportunity for our young people to engage in a range of alternative learning experiences which promote the benefits of outdoor learning on pupil engagement and their physical, social and emotional wellbeing. Each activity has been carefully selected to showcase how outdoor learning can be incorporated into a variety of curricular areas in line with their corresponding Curriculum for Excellence experiences and outcomes.

Pupils have been split into 6 main groups and a list of these can be found on the S1 year group Teams page. Within these groups, pupils will attend six different outdoor activities on a rotation with break and lunch at the usual time. Pupils should ensure that they are aware of which group they are in.

Pupils should attend their usual period 1 and period 5 classes to be registered and they will be escorted to their activities at these times by their class teacher.

**Young people are encouraged to wear comfortable, outdoor clothing and are advised to bring warm jumpers/jackets and suitable footwear e.g. wellies/old trainers in case of adverse weather. Similarly, pupils are also advised to bring sunscreen and a hat if the weather is nice.**

**It is expected that the event will go ahead except in the case of extreme weather conditions.**

Thank you for your co-operation.

Kind Regards,  
Braes High School
