

Dear Parent/Carer,

The Scottish Government issued a statement yesterday advising there are to be no changes just now to COVID-19 mitigations in schools. The link to the statement is noted below:

In Braes, we will continue to implement our current mitigations and monitor Scottish Government guidance for schools as it emerges.

I would also advise parents/carers of pupils in Lomond House that Miss Kelly is covering as Pastoral Head for Lomond pupils in the absence of Mr Burns.

Yours sincerely,

Iain Livingstone
