

Dear Parent/Carer,

Again this week we have seen a number of positive events taking place in our school, with a very well attended and well received P7 Information Evening taking place on Wednesday night. It was great to see so many of our future Braes pupils and families in attendance, and also to see the huge number of current Braes pupils who were keen to be there to support the event as pupil leaders. We have also seen very attentive assemblies with House groups, with engaging presentations from pupil House Captains and Pupil Councillors.

The next couple of weeks also sees a busy school calendar, with our parent-led fundraising group 'Friends at Braes' meeting at 6.30pm in the school conference room on Monday 26th September. If you would like to be part of this meeting please contact Chairperson Susan MacKinnon by emailing friendsatbraeshigh@gmail.com. On Tuesday 27th September we have our Mathematics and English Information Evening, an event aimed at parents/carers of young people studying Higher Maths and/or Higher. There will also be information relevant for parents/carers of pupils studying National 5 English, specifically relating to the English National 5 folio. This event begins at 7.00pm in the assembly hall.

The following week sees our Parent Council meet at 7.00pm, in the school library on Tuesday 4th October. If you would like to be part of this meeting please email Chairperson Kenneth MacKinnon at braeshigh.parentcouncil@gmail.com. During this week there will also be an online launch of information for parents/carers relating to the Higher English folio.

I hope all Braes families are doing well just now, as we continue with this very busy and vibrant first term of the school year.

Yours faithfully,

Iain Livingstone
