

Dear Parent/Carer,

Please find below an update on school holiday dates that has just been released by Falkirk Council:

Amended October Holiday

To recover the 5 days from the amended August start date above, the October holiday will be extended by a further 5 days as below. These amended dates align with Stirling and Clackmannanshire Councils.

- Monday 12 October to Friday 23 October (10 days)

The planned INSET on Monday 19 October 2020 will be rescheduled to later in the school session. This will be confirmed early next session. No other changes have been made to the previously published term dates.

Kind regards
Braes High School
