

## Easter School 2021

We will be offering online Easter school sessions on Tuesday 6<sup>th</sup> and Wednesday 7<sup>th</sup> April to support pupils as they prepare for their course assessments. Pupils should sign up for the sessions they would like over these two days – the link has been shared on Teams.

The two days have been split into three, one and a half hour sessions and staff from a range of subjects will be on hand to help as indicated by the timetable blow.

If you require any further information, email [marjorie.cotter@falkirk.gov.uk](mailto:marjorie.cotter@falkirk.gov.uk).
