

Dear Parent/Carer,

As we fast approach the new term many of you may be trying to finalise your young person's uniform.

Friends at Braes (FAB) run an eco-friendly pre-loved uniform service. You will find a good selection of items on the rail just to the left inside the main school entrance. It has just been freshly replenished.

Girls blazers are currently available as follows:

30" x 4

32" x 6

34" x 2

36" x 2

42" x 1

Braided: 30", 32", 36" x 3, 38" x 2

Boys blazers are currently available as follows:

28" x 4

30" x 4

32" x 2

34"

38"

46"

You can access the rail between 9am and 2pm each week day in the lead up to school return.

If you are able to, please consider leaving a voluntary donation with the ladies in the office. Any donations go into FAB funds which are used to support a variety of projects which directly benefit many of the young people.

Please also leave any hangers on the rail as they are reused.

If you have any items you wish to donate, please leave them in the black crate beside the rail.

I have plenty more stock at home. So if there is something you are looking and you can't find the size, please drop an email to friendsatbraeshigh@gmail.com.

Kind regards

Susan MacKinnon

(FAB acting chairperson)
