

Dear Parent/Carer,

Many thanks for your support of your young person and the school this term. It has been lovely to see our young people participating in such a wide range of activities in this first part of the school session, and to see them making progress across the curriculum.

Tomorrow (Friday 7th October) is a non-uniform day to raise funds for school activities. Pupils are asked to make a suggested donation of £1 towards schools funds, which will either be collected in class during period 1, or can be paid via Ipay. The usual rules of not wearing football colours, or inappropriate clothing/slogans apply. This will still be a normal working day so pupils should bring their Ipad and any other relevant kit they may require such as PE gear.

School closes tomorrow at 2.50pm and reopens on Monday 24th October. I wish all Braes families well, and our young people an enjoyable break when it comes.

Yours faithfully,

Iain Livingstone
