

Dear Parent/Carer,

It has been encouraging to see the positive attitude and focused approach of our senior phase pupils as the SQA examination diet begins. My thanks go to our invigilation team, who have helped ensure the exams have started smoothly. It is of course also an important time for our S1-3 pupils as they move towards the timetable change on Monday 22nd May, making preparations for their next phase of learning. Please note that the school will be closed to pupils on Friday 28th April for the in-service day, and again on Monday 1st May and Monday 8th May for public holidays.

Yours faithfully,

Iain Livingstone
