Chairman's Annual Report

In May 2024, Bradfield Parish Council held its Annual Parish Council Meeting. All nine serving Councillors confirmed their continued commitment, along with our then Clerk, Sean Cooke. At that meeting, a new Chair and Vice Chair were appointed, and members were allocated to the Finance and Personnel Committees.

Midway through the year, we saw the retirement of our Clerk. We were fortunate to appoint Marie Snell as our new Clerk, who joined us with an impressive résumé. We were delighted to welcome her to the team.

Throughout the year, the Council has continued to make considered, community-focused decisions, always maintaining a professional and dedicated approach in service to Bradfield and its residents.

Also on Thursday 8th May, we are proud to host a special community celebration marking the 80th Anniversary of VE Day. The event features the Tendring Brass Band, a local singing duo, our resident bagpiper, international tributes and blessings, and concluded with the lighting of the beacon. We are pleased that the Simon Brice, the Deputy Lord Lieutenant in Essex will be attending our event.

We have made several improvements to village maintenance. A new grass-cutting contractor was appointed, and a hedge-cutting contractor has joined us receiving excellent feedback from residents for the quality of their work. We also now have a reliable handyman who can respond quickly to small jobs around the village.

Our task-specific working groups, made up of interested Councillors, have played a key role in progressing various projects. These groups report back to the full Council and disband upon completion. This past year, their work has included addressing playground equipment, planning matters, the war memorial, and preparations for the VE-Day celebrations.

The war memorial in the grounds of St Lawrence Church remains a deeply important local landmark. The four engraved tablets list the names of Bradfield residents who served in the war, but the inscriptions are deteriorating with age. We remain committed to trying to restoring the memorial so these names are preserved. Progress has been slow due to complex negotiations with stonemasons, consultants, church authorities, and the War Graves Commission but we are determined and will continue to keep residents informed.

New playground equipment has been installed at the recreation ground. We've also added small pathways to improve access for those with prams and wheelchairs. Safety remains a top priority, with Councillors conducting regular inspections, alongside our maintenance contractor and RoSPA checks, to ensure compliance and usability.

Parking concerns remain under review. We have reported key issues to the relevant authorities and continue to monitor the progress of 'Quiet Lane' applications for Cansey Lane and Mill Lane.

We held two community litter picks this year, and I would like to thank all who joined us. Special thanks go to local resident Howard Whurr, who regularly collects litter around the village, his efforts are greatly appreciated.

New dog waste bins have been installed throughout Bradfield. To address ongoing issues with fly-tipping, CCTV cameras have been added to monitor the car park and recycling area near the village hall. Unfortunately, some residents continue to leave waste beside the recycling bins, including bags of clothes and bottles left on the ground which are not collected by our contractors and must be dealt with separately. This remains a challenge caused by a small minority, and we are actively exploring ways to resolve it.

We continue to benefit from recycling credits, receiving £1108.77 last year from bottle recycling. We also received £5281.21 from Estio Solar Farm Community Fund, both of which contribute positively to our work.

In closing, I would like to extend my sincere thanks to my fellow Councillors for their commitment and hard work over the past year. I'm also grateful to our District and County Councillors for their attendance and support at our monthly meetings. And to my Vice Chair, Alan, thank you for your unwavering support and invaluable experience. Every contribution has made a meaningful difference.

Karen Burton, Chairman of Bradfield Parish Council
