This website is run by Bradfield Parish Council. We want as many people as possible to be able to use this website. For example, that means you should be able to:

- Change colours, contrast levels and fonts
- Zoom in up 300% without the text spilling off the screen
- Navigate most of the website using just a keyboard
- Navigate most of the website using speech recognition software
- Listen to most of the website using a screen reading (including the most recent versions of JAWS, NVDA and VoiceOver)
- We've also made the website text as simple as possible to understand.

AbilityNet (<https://abilitynet.org.uk>) has advice on making your device easier to use if you have a disability.

How accessible is this website?

The Equality and Human Rights Commission (EHRC) is responsible for enforcing the Public Sector Bodies (Websites and Mobile Applications)(No. 2) Accessibility Regulations 2018 (the 'accessibility regulations'). Technical information about this website's accessibility:

Bradfield Parish Council is committed to making its website accessible, in accordance with the Public Sector Bodies (Websites and Mobile Applications)(No. 2) Accessibility Regulations 2018.

Compliance status:

This website is partially compliant with the Web Content Accessibility Guidelines version 2.1 AA standard, due to the exemptions listed below:

Non-compliance with the accessibility regulations:

We may have some scanned PDF documents on our website e.g. our Annual Governance and Accountability Returns (AGARs).

Scanned PDF documents do not comply with the Accessibility Regulations 2018 but these documents can be provided in an alternative format or on alternative media, on request.

Disproportionate burden:

Navigation and accessing information:

It's not always possible to change the device orientation from horizontal to vertical without making it more difficult to view the content.

The title link ID's related to the website logo and page title are according to SiteImprove "not unique". This cannot be changed as it is part of the core code of the

website development system.

Content that's not within the scope of the accessibility regulations:

PDFs and other documents:

The accessibility regulations do not require us to fix PDFs or other documents published before 23 September 2018 if they're not essential to providing our services.

Any new PDFs or Word documents we publish will meet accessibility standards wherever possible.
