Late Parents - **Unfortunately we have to vacate the premises 17:55 Sharp** - as the Premises Team need to lock up after us, which has a knock on effect on School staff duties.

Persistent Lates will affect your child's place at our club. Please call / text the Superkids team as soon as possible so that we can make arrangements & notify those who are affected also. It will also take away our privilege to wait inside. Rather than outside the building as Premises have been locked up at **6pm Prompt !**
