

# Step Up Training and Care

From Training to Caring, we deliver excellence

Qualification Name	<b>Level 2 Certificate in the Principles of Dementia Care</b>
Qualification achieved	iCQ Level 2 Certificate in the Principles of Dementia Care (RQF) 601/5564/4

## Qualification Structure

This qualification is assessed through completion of a portfolio of evidence.

- Individual self-study, research and evidence gathering at home under the guidance of your personal assessor
- Completion of an e-portfolio

The learner will build a portfolio of evidence based on the criteria required to complete this qualification

There are no exams required to achieve the qualification

## Qualification Duration

The duration of the qualification depends on if you have had prior learning or prior achievements, this may reduce the needed time to prepare for the assessment. However, the estimated total qualification time is 123 hours.

This equates to approximately a 1-month timescale but is dependent on a learner being engaged in their studies, submitting evidence to match the learning criteria usually on a weekly basis to your personal assessor.

## Costs

This course is £125

50% is payable at point of enrolment with the remaining 50% payable upon completion of the qualification.

## Who can enrol for this course?

Must be aged 16+.

## Entry requirements

It is advised that learners have a minimum of level 1 in literacy or numeracy or equivalent.

## Who is this qualification suitable for?
