Training and Care

From Training to Caring, we deliver excellence

Qualification Name	Level 1 Award in the Principle of Health and Safety within the Workplace
Qualification achieved	Highfield Level 1 Award in the Principle of Health and Safety within the Workplace (RQF) 603/1251/8

Qualification Structure

You will be assigned a personal assessor who will help guide you through the learning criteria for this qualification, delivered as a distance learning qualification. Final assessment is via a multiple-choice exam which is graded as pass/fail.

The examination for this qualification contains 15 questions that must be completed within 30 minutes. Successful learners will have to demonstrate knowledge and understanding across the qualification syllabus and achieve a minimum pass mark of 60%.

Qualification Duration

The duration of the qualification depends on prior learning or prior achievements, as this may reduce the amount of time spent preparing for the assessment. The total time for this qualification is 4 hours. All of which is recommended as guided learning hours.

Costs

This course is £65

50% is payable at point of enrolment with the remaining 50% payable upon completion of the qualification.

Who can enrol for this course?

Must be aged 16+.

Entry requirements

There are no specific entry requirements however learners should have a minimum of level 1 in literacy and numeracy or equivalent.

Who is this qualification suitable for?

This qualification is designed for

- Learners who wish to progress into further / higher level training
- For people currently working
- For people returning or starting work

The qualification provides learners with an understanding of the main responsibilities of employees and employers with regards to health and safety. It also provides an understanding of how the workplace can affect health and safety.

This regulated qualification focuses on the importance of maintaining health and safety and ensuring that employee actions reduce risks in the workplace. It is intended for learners working in any workplace environment, including retail, manufacturing, food premises and the care environment. It is also suitable for those who are returning to work or starting work for the first time.

Learners will gain a sound introduction to all aspects of health and safety including legislation, fire procedures, chemical safety, manual handling and personal protective equipment. It is ideal as an introduction to general health and safety for any environment.

Certification

Upon successful completion of this qualification, you will be issued with a hard copy of your certificate.
