## Training and Care

From Training to Caring, we deliver excellence

Qualification Name	<b>Level 1 Award in the Principle of Fire Safety Awareness</b>
Qualification achieved	Highfield Level 1 Award in the Principle of Fire Safety Awareness (RQF) 603/1564/7

### Qualification Structure

You will be assigned a personal assessor who will help guide you through the learning criteria for this qualification, delivered as a distance learning qualification. Final assessment is via a multiple-choice exam which is graded as pass/fail.

The examination for this qualification contains 15 questions that must be completed within 30 minutes. Successful learners will have to demonstrate knowledge and understanding across the qualification syllabus and achieve a minimum pass mark of 9 questions equating to 60% pass rate.

### Qualification Duration

The duration of the qualification is dependent on whether you have had any prior learning or prior achievements, as this may reduce the time spent preparing for assessment. However, the qualifications total duration is 5 hours. On top of that, 4 of those hours are recommended as guided learning hours.

### Costs

This course is £70

50% is payable at point of enrolment with the remaining 50% payable upon completion of the qualification.

### Who can enrol for this course?

Must be aged 16+.

### Entry requirements

There are no specific entry requirements however learners should have a minimum of level 1 in literacy and numeracy or equivalent.

### Who is this qualification suitable for?

This qualification is designed for:

- New employees
- Any workplace employee

The objective of this qualification is to support learners in any workplace, particularly new starters, where a basic understanding of fire safety is required.

Learners gaining this qualification will know that fire safety is the responsibility of everyone in the workplace. They will recognise the common causes of fire and identify actions to take in the event of a fire.

This regulated and nationally recognised qualification provides Learners with the opportunity to develop their fire safety awareness to help ensure that they are keeping themselves and others safe at all times in the workplace.

#### **Certification**

Upon successful completion of this qualification, you will be issued with a hard copy of your certificate.
