Training and Care

From Training to Caring, we deliver excellence

Qualification Name	Level 3 Award in Risk Assessment
Qualification achieved	Highfield Level 3 Award in Risk Assessment (RQF) 600/5747/6

Qualification Structure

You will be assigned a personal assessor who will help guide you through the learning criteria for this qualification, delivered as a distance learning qualification. Final assessment is via through a two-part process consisting of a multiple-choice question examination and an assessed activity.

The examination for this qualification contains 30 questions that must be completed within 60 minutes. Successful learners must achieve a score of at least 20 out of 30.

Learners are expected to undertake a risk assessment, which will be internally set and assessed by the centre and externally moderated by Highfield. The risk assessment activity is an opportunity for learners to fully understand and demonstrate the risk assessment process.

Qualification Duration

The duration of the qualification depends on whether you have had prior learning or prior achievements, as this may reduce the time spent preparing for the assessment. However, the total time spent on this qualification is 20 hours, and 14 of those hours are recommended as guided learning hours

Costs

This course is £135

50% is payable at point of enrolment with the remaining 50% payable upon completion of the qualification.

Who can enrol for this course?

Must be aged 16+.

Entry requirements

There are no specific entry requirements however learners should have a minimum of level 1 in literacy and numeracy or equivalent.

Who is this qualification suitable for?

This qualification is designed for learners with a responsibility to conduct risk assessments at low-risk premises.

The objective of the qualification is to support a role in the workplace as a risk assessor. It covers the principles of risk assessment, the relationship between hazard and risk and requires learners use the knowledge learned on the course by undertaking a risk assessment. Therefore, laying a foundation for further development as a risk assessor

This Level 3 Risk Assessment course will provide you with the knowledge and confidence you need to carry out or review risk assessments. It will ensure you have the necessary depth of understanding to be competent to undertake this role effectively. It will take you through an effective yet easy to use risk assessment format.

Certification

Upon successful completion of this qualification, you will be issued with a hard copy of your certificate.
