Dolvit® Gland mini

Tablets for cats and dogs

**Anal
Glands
Support**

60 mini tablets

Dietary Supplement for Small Dogs and Cats

Properties

Dolvit® Gland mini is a formula for cats and small dogs having difficul-
ty with emptying the anal glands. The ingredients in the product in-
clude: herbal extracts and smectite. Prebiotics maintain the digestive
tract to ensure proper formation of faeces and defecation. Dolvit®
Gland mini supports the proper functioning of the anal glands.

Directions for use

small dogs and cats: 1-3 tablets / day
