

HIGH PERFORMANCE WINDOW FILMS

~PROVIDING SECURITY & COMFORT~

PRIVACY & DECORATIVE FILM

Whiteout

Maximum Privacy with a Soft White Appearance

High Performance Window Films' **Whiteout Film** provides **complete two-way privacy**, ensuring **limited light transmission** while maintaining a **uniform satin white finish**. This film is perfect for **offices, healthcare settings, and residential applications** where **privacy and light diffusion** are required.

The **Whiteout Film** is a quick and effective solution for areas where **full vision control** is necessary, but with some retention of natural light. It provides **24-hour privacy**, blocking both daylight and artificial light through the glass while offering a **softer and lighter alternative to blackout films**.
