

# THE GREEN QUARTER

WEST LONDON

ROSEMARY HOUSE

**In any city, it's rare to find yourself completely surrounded by nature. Yet London is no ordinary city. And The Green Quarter is no ordinary place to live.**

Here, you'll enjoy the benefits of modern urban living in a truly remarkable setting, with nature at its very heart. Rosemary House is the latest addition to the transformation of this former brownfield site into one of the most biodiverse neighbourhoods in the UK.

Crafted by renowned interior design studio Atellior, the one and two bedroom apartments at Rosemary House feature timeless material palettes designed for style with sustainability in mind.

Spacious private balconies offer wide-ranging views out across The Green Quarter, and the private podium gardens provide a beautiful retreat for residents to enjoy.

Offering the convenience of a wide range of residents' facilities, you'll also enjoy the flexibility of super-fast connections across London with the Elizabeth line only a short stroll away. Residents will also have access to the exclusive gym, lounge, co-working space and concierge service.
