An inclusive play care setting for all your childcare needs

About Us

We are a family business who are passionate about providing wrap around care in a safe, enriching and nurturing environment for children. Emma has owned the setting for over 18 years but has managed it for over 25 years now. Starting initially as a before and after school club on site.

We strive to provide childcare that parents feel happy with, safe in the knowledge that their child will be having fun, learning new skills and engaging in activities.

We pride ourselves on ensuring that the setting is appealing to the children that attend – so they look forward to coming and spending time with us.

At our breakfast club we prepare the children for the school day, in a relaxed and engaging environment, with a balanced breakfast and lots of activities to activate their brain and get them ready for the day ahead.

At the end of a busy school day, we welcome children to our after-school club for lots of fun. We have our highly qualified and experienced staff who help to deliver an engaging, enriching and exciting timetable of activities.

Children are guided to eat healthily, along with the encouragement to try new things. We ensure a wide range of toys are available when they come in, to ensure they have fun whilst playing with existing and new friends.

We offer sports, crafts, games, free play and more to ensure the children can try new activities.

We understand that things change and therefore we can take last minute on the day bookings as long as we have room (provided we are still within the required staff / child ratio).

Breakfast Club and After School Club.

We are based in the Schoolhouse, within the school grounds. Renovated in 2024, the space has been thoughtfully designed with school-aged children in mind. Our setting provides a safe, welcoming, and stimulating environment where children can relax and unwind after a busy school day.

Children can enjoy a wide range of activities, including:

- Arts and crafts
- Wii games
- Role-play room
- Construction suite
- Board games
- Outdoor play

Our staff plan a full programme of activities for children to enjoy, and children are encouraged to help shape the planning process through our Children's Council. Above all, this is the children's setting: a home-from-home where they can play, feel comfortable and have fun.

Opening times: 7.15am to school, we provide our children with a selection of healthy cereals, toast, crumpets, fruit juice, and breakfast biscuits.

3.25pm: Our after-school club team, will collect your child (ren) from their classroom. We provide a home cooked tea, closing at 6pm.

To access the building, our entrance is next to the bakery on town street.

Forest School

Our Forest School out-of-school club runs three evenings a week: Tuesday, Wednesday, and Thursday. The club is led by our Forest School Manager and her team, who create a safe, engaging, and hands-on outdoor learning experience for the children.

Children take part in a variety of outdoor activities in our designated Forest School area and lodge, including:

- Exploring and playing outdoors
- Cooking on open fires
- Using real tools under supervision
- Developing confidence, independence, and practical skills
