Newport Live celebrated the re-opening of the Connect Centre (formerly YMCA Newport), a much-loved community venue in Pillgwenlly on 30 November 2019 and have seen a successful start to 2020.

Newport Live is a non-profit distribution organisation and registered charity, which means the money they make is wholly reinvested into the services and facilities they offer, so all Newport Live customers are supporting the local community through the delivery of these projects and activities.

# Connect Centre ... cont'd

## Did you know?

The venue now hosts a range of Connect Centre classes that have been created to help people Tone, Dance & Relax, including pilates, Zumba and yoga. The Connect Centre also houses Newport Live's award winning Sports & Physical Activity Development Team who deliver alternative education programmes from the Centre and facilitate high quality sporting opportunities for children, families, schools, communities, sports clubs, and local groups across the city. Newport Live are also developing new partnerships and activities to help further support the local community of Pillgwenlly.

The Connect Centre has a range of meeting rooms and sporting facilities available to hire for conferences and private functions.
