

# CONTENDING ALTARS

11 Days of fasting and prayer (Matthew 17:21).

New Creature  
Church of Christ

Altars are found in places of worship like churches, temples or shrines. An altar can be built or raised anywhere; it can be at a junction, a tree, a rock, within a home or in a person. An altar is a place upon which sacrifices and offerings are made; it is a sacred place where ceremonies are made. It is a place where spirits congregate; the sacrifices invoke the presence of spirits.
