# BEST PRACTICES FOR 2022

- People travelling have to be fully vaccinated
- Covid referent appointed in each group or pilgrimage
- People have to take their own responsibility in Lourdes, as they do at home : personal handgel, washing hands regularly, facemask wearing, keeping distance, ...
- Select sick people who can travel, and inform doctors of the area of who can come along with the pilgrimage
- Imagine a different pilgrimage for 2022

# Testimonials received lately in Hôtels Vinuales concerning Covid-19

Hôtel Panorama

June 2020

“Perfect location to walk to all places of worship. Quiet and comfortable. No need to say I shall stay there when I come again.

In spite of the corona virus pandemic, service was good and sanitation was satisfactory”.
